

## The Institute of Chartered Accountants of India Kuwait Chapter

### **ICAI Kuwait Chapter organizes distribution of Iftar Meals**

The holy month of Ramadan evokes the highest values of true faith and virtues of worship and includes acts of goodness, tolerance, giving without counting the cost, humility, ethical behavior and to reflect on our individual responsibility towards others and the society in general.

The Kuwait Chapter of the Institute of Chartered Accountants of India (ICAI) organized a Iftar food packets distribution at a labor camp in Mahaboula. The volunteers of the institute led by Chairman CA Deepak Bindal and Executive Committee member CA Gyanesh Tibrewal distributed around 400 food packets to the residents of the labour camp to acknowledge their silent and usually unrecognized contribution to the society.

The Chapter regularly organizes such community service drives as part of its motto of giving back to the society and considering its role as a responsible stakeholder in the community. In the past the Institute was instrumental in partnering with the Kuwait Red Crescent society towards Covid relief in Kuwait, arranging oxygen cylinders during the pandemic for India in coordination with the Indian Embassy in Kuwait, blood donation drives etc.

The catering and logistics of the food packets were personally supervised by Mr. Jitendra Chaudhary owner of the Marhaba Groups who owns restaurants like Aamchi Mumbai and Lucknawi Tawa.

The chapter is a professional association of Indian Chartered Accountants with a strength of more than 500 members and its objective is to provide the members with professional and social networking opportunities. It regularly conducts continuing professional education programs and various sports and social activities for the benefit of its members. Membership is open for all Indian chartered accountants.
